EXPERIENCE AMAZING

PRODUCT GUIDE

Effective from **October 2025**

RZ

At Lexus, we have a lot to be proud of. A leader in luxury car electrification for nearly 20 years. Over 2.5 million Lexus Electrified models on the road across the globe. Cars that stand out for their sophistication, quality and award-winning reliability.

These are impressive facts, but for Lexus, performance is more than just numbers. And electrification is more than just batteries and motors. It's the chance to define a new kind of driving pleasure, where each journey radiates confidence, control and comfort. With your Lexus responding instantly to your every move, you'll enjoy a luxury that is personal, a luxury rooted in the uniquely crafted connection between car and driver.

Just drive the all-electric Lexus RZ luxury SUV and you'll know what we mean...

BATTERY AND CHARGING

CHARGING 'PLUG AND PLAY'

Charging the Lexus RZ is easy and safe, with multiple charging options to meet your needs

HomeCharge

The easiest way to charge your Lexus RZ at home is to install a Lexus 240V HomeCharge electric vehicle charger. Contact your dealer for pricing.

*Compatible with Lexus Link+ App.

Public

Using high-output (up to 150 kW) public DC chargers, you can achieve a 10-80% charge in around 30 minutes*.

*DC Charging time subject to local conditions. In order to ensure effective charging and preserve battery health, DC Fast charging power may be reduced after 3.8 sessions (0-80%) per 24-hour period.

RZ ESSENTIAL PACKS

TRUNK LINER

Tailored to fit the trunk of your vehicle and provide protection against dirt and spills. The design features a special anti-slip surface pattern to help stop luggage moving.

FRONT & REAR MUD GUARDS

Lexus Mudguards are especially shaped to fit the wheel arches of your vehicle. They help maintain the vehicle exterior by protecting against excessive dirt, mud spray and flying stone chips.

RZ LEATHER TEXTILE FLOOR MATS

LEATHER TEXTILE FLOOR MATS

Genuine tailored fit rubber floor mats help protect your carpets against the very worst conditions that you or your passengers dare to tread inside.

ILLUMINATED SCUFF PLATES

A bold dash of chrome along the lower side contours to emphasize the RZ's sculptured styling

LEXUS HOMECHARGE

LEXUS HOMECHARGE

Is the fastest and most convenient way to charge your electric vehicle at home. The Lexus HomeCharge electric vehicle charger is the only charger compatible with the Lexus Link App. Contact your dealer for pricing.

LEXUS

LEXUS LINK CONNECTED SERVICES

Driving in a Lexus has never been better and with Lexus Link Connected Services the experience becomes even smoother, so you're always comfortable and in control, no matter where your drive takes you.

Scan the QR code to learn more about the Lexus Link App.

DISCOVER BATTERY ELECTRIC

Lexus' new generation of advanced Battery Electric vehicles deliver an uncompromising blend of power, reliability and performance. Our Battery Electric cars runs on electrical power alone and use no fuel for propulsion.

Charge at home

Charging your Lexus Battery Electric vehicle is safe, convenient and simple. Charge at home using the Lexus HomeCharge. You can also use rapid charging at a variety of public charging points.*

Exceptional range

Battery Electric vehicles such as the Lexus RZ can travel up to 575km on a single full charge.**

Peace of mind

For peace of mind, the extended care programme guarantees the battery in your Lexus will retain 70% of its original capacity over the first 10 years of ownership or one million kilometres driven***

Scan the QR Code to learn more about Lexus Battery Electric!

* DC Fast Charging power of the Lexus Battery Electric cars may be reduced temporarily (for roughly 24 hours) after two sessions per day (equivalent of two times 10% to 80% state of charge).

** WLTP cycle for the Lexus RZ. This range figures are estimates based on official homologation figures in a controlled environment (WLTP). The actual electric range value of your vehicle will vary from these calculated values, since many factors have an influence on a car's electric range.

*** Subject to annual health checks at a Lexus authorised service centre.

MANUFACTURER'S WARRANTY

For peace of mind Lexus manufacturer's warranty ensures that every trip runs smoothly with:

Manufacturer Warranty

- 3yrs/100,000km - Manufacturers Warranty
- 5yrs/100,000km - All Hybrid Components
- 12yrs/unlimited mileage - Corrosion Perforation

Lexus Assistance

If you ever need help, Lexus Assistance is there for you, whenever you need breakdown cover in Ireland or Europe. Euro Assistance 24 offers Lexus roadside assistance 24 hours a day, seven days a week and 52 weeks a year.

- Arrange Hotel Accommodation in an Emergency
- Should You Be Unable to Drive
- Organise Roadside Assistance if Necessary

Call 1800 200 862 in Ireland or +353 1 6193641 from abroad.

For further warranty details or recovery services contact your local Lexus Dealer.

LEXUS

LEXUS RELAX

Lexus Relax is a testament to the confidence we place in the quality of our vehicles. After your manufacturer's warranty finishes, you can still feel complete peace of mind, with 12 months OR 15,000km warranty when you service with us. So you can rest assured that your car is in safe hands—with expert technicians, who only use genuine parts. So your Lexus stays 100% Lexus.

Once your service is due, all you need to do is bring your Lexus in for a service and your Lexus Relax warranty will be renewed until your next service is due—up to 10 years vehicle age or 185,000km (whichever comes first) after the expiration of the manufacturer's warranty. See Lexus Website (www.lexus.ie/relax) for more details.
